My name is James Pepper, and I am the Records Officer for the Department of State's Attorneys and Sheriffs. I am responding on behalf of the Orleans County State's Attorney to a Public Records Act request originally received by the Orleans County State's Attorney office on January 7, 2019 regarding the following records:

"...to inspect or obtain copies of public records of the Andersonville Farm vandalism incident on Sept. 8, 2017 as described in State Police Case#: 17A503639 and Orleans County Sheriffs Case#: 17OLC2006".

A search of the Department of State's Attorneys and Sheriffs records failed to identify any records that are responsive to your request. The Orleans County State's Attorney's office did not open a case record in this matter. Its involvement in the investigation in question was limited to a review of a draft warrant, a final copy of which should be available from the Vermont State Police.

Nothing in this letter should be construed as a waiver of any privileges or protections over the Department's records. If you would like to appeal this decision, please submit the appeal to the Department of State's Attorneys and Sheriffs Executive Director John Campbell at john.campbell@vermont.gov or (802) 828-2891.

Sincerely,

A handwritten signature in blue ink, appearing to be "JP" or "James Pepper".
