Thanks, Bill. Rick DeAngelis mentioned this situation briefly during a [public meeting](#) earlier this morning. Would you be able to field a couple of questions over the phone?

Thanks,
Carly

Hi Carly

I am not sure where you heard this. We've been made aware of some incidents in that location, which is a public recreation area, and are evaluating the situation.

Hi William and Kelly,

Carly Berlin here, housing reporter for VTDigger and Vermont Public. Just left you both voicemails. I heard earlier today that the city is considering clearing the encampment at the former Elks Club property, and am hoping to ask you a couple of questions about the situation. Please give me a call back at your earliest convenience, at 802-793-4018.

Take care,
Carly
