Subject: Update on Elks

Hi Kelly

I want to let you know that we have spoken to each of the campers at the Elks Club that camping is no longer permitted and offered them assistance to move.

It was unrealistic to begin any moves this week because of the weather but we intend to start on Monday to facilitate that . We'll let you know about progress but this will take a few days at least.

I'm away next week but Rhonna will be leading the moves.

Please contact Julie if you have any questions.

We have received notification that we are funded for the Elks but not completed the negotiations. I am going to go ahead and submit our zoning and building app to get things rolling. SO I hope to send the application to Bill for his signature before I leave.

Thanks

Rick DeAngelis
