In re: J.V.

Docket No: F 138-9-14 Wnjv

Dear Larry:

My office has become aware of an alleged material inconsistency between the content of a sworn affidavit filed by Officer Charles Satterfield of Berlin Police Department and his body camera footage recorded as part of his investigation. This discrepancy was identified in the course of case review and this information is provided consistent with the State's discovery obligations to the defendant in the particular matter concerned.

This is a limited disclosure. This matter is currently under review and no formal derogatory or adverse findings have been made concerning Officer Satterfield's conduct. Nevertheless, this notice is provided in accordance with V.R.Cr.P. 16(a)(2)(G) and (b)(2) to ensure defendants and their counsel are aware of this matter for purposes of discovery planning and any potential disposition of pending cases where Officer Satterfield was the investigating officer.

Respectfully,
