WINDSOR COUNTY STATE'S ATTORNEY

September 22, 2017

Dear Defense Counsel,

This notice is provided pursuant to the State's discovery obligation under V.R.Cr.P. 16, *Brady v. Maryland*, 363 U.S. 83 (1963), and *Giglio v. United States*, 405 U.S. 150 (1972).

The Windsor County State's Attorney's Office has received information that, if true, indicates that during July 2017 former Royalton Police Officer John Breault illegally dispensed regulated drugs to a woman with whom he was having an intimate relationship. He obtained these drugs from the police evidence vault. As a result of this alleged conduct, Breault has been charged by the U.S. Attorney for the District of Vermont with Distribution of a Controlled Substance.

We are disclosing this information to you such that you may analyze its impact on your specific case. Please do not hesitate to contact us at (802)-295-8870 if you have any questions, concerns, or wish to discuss this matter further.

Best Wishes,

David J. Cahill
