FROM: Vincent Illuzzi, Esq.

SUBJECT: Jeffery Noyes – Giglio Disclosure

DATE: May 27, 2020

After attending a CLE annual training last year. I am disclosing the attached affidavit dating back to 2008. It was disclosed at that time to Willey & Power and other defense firms handling cases in Essex County.

At the time, the attached affidavit was sent to the Department of State's Attorneys, which in turn forwarded it to the Washington County SA. There was no PC found by the Court because the equipment in question was not, as alleged, converted to personal use, but rather to the use of another policy agency.

Nonetheless it is being forwarded at this time.

Thank you.

Vincent Illuzzi

Attorney for the State
