 Dear Mayor Erin Stautner,
 Under the Vermont Public Records Law, 30:25 et seq., I am requesting an opportunity to inspect or obtain copies of any correspondence with or regarding the USB Alliance or the RFF Research.
 I would strongly prefer that these records be provided in digital format or be posted on your transparency page for the public to view directly.
 If there are any fees for searching or copying these records, please inform me of the cost well ahead of time so that the disclosure of the requested information is in the public interest and will contribute significantly to the public understanding of the school employment policies and policies for the prevention of contagious diseases. I am a citizen journalist who is gathering this information in the public interest. This information is not being made for commercial purposes. However, I may use shared with commercial media.
 The law requires a response to this request within 2 days, or, within 30 days for extraordinary circumstances. If you expect a significant delay in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedure available to me under the law.
 Thank you for considering my request.
