SCOPE OF WORK TO BE PERFORMED**

1. Background/Overview:

The Vermont Department of Health (VDH), Division of Substance Use Programs (DSU) aims to create an accountable, community-based system of services and supports that empowers Vermonters to embrace resiliency, wellness and recovery by becoming active participants in self-management. This system includes the entire range of services from prevention, intervention, treatment through recovery and will be composed of a continuum of timely, interconnected and coordinated components with multiple entry points.

2. Results Based Accountability Matrix:

Results Based Accountability (RBA) is considered a “common sense-based” approach to performance measurement that includes quantity (how much?) and quality (how well?) Performance Indicators, as well as Desired Outcomes (Are Vermonters better off?) as goals that incorporate this agreement’s Required Services/Activities into the larger continuum of substance use services. Grant performance and payment will be measured and evaluated solely by the Performance Indicator sections listed below.

Table 1 - Performance Indicator Treatment Engagement									
Performance Indicator Description (How well?)	Percentage of outpatient and intensive outpatient clients with 2 or more substance abuse services within 30 days of treatment initiation. Initiation is defined as the date of initial diagnosis and evaluation (D&E) or treatment assessment if it occurs within 30 days of treatment admission. For clients with no D&E/assessment, initiation is the treatment admission date.								
Description of Goal	Providers with engagement rates 80% or over maintain at least 80%; Providers under 80% meet identified graduated baseline improvement expectations								
FY24 Goal	Statewide goal is 80% Provider specific incentive goals are based on baseline engagement rate. <table border="0"> <tr> <td>Baseline</td> <td>Expected Increase</td> </tr> <tr> <td>Below 50%</td> <td>Minimum of 50%</td> </tr> <tr> <td>50%-79.9%</td> <td>Greater than baseline</td> </tr> <tr> <td>80.0% or higher</td> <td>Maintain above 80%</td> </tr> </table>	Baseline	Expected Increase	Below 50%	Minimum of 50%	50%-79.9%	Greater than baseline	80.0% or higher	Maintain above 80%

request, in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether *Business Associate* is in compliance with this Agreement.

If neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary of HHS. Covered Entity has the right to seek to cure such failure by *Business Associate*. Regardless of whether Covered Entity cures, it retains any right or remedy available at law, in equity, or under the Contract or Grant and *Business Associate* retains its responsibility for such failure.

15.1 *Business Associate* in connection with the expiration or termination of the Contract or Grant shall return or destroy, at the discretion of the Covered Entity, *PHI* that *Business Associate* still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. *Business Associate* shall not retain any copies of *PHI*. *Business Associate* shall certify in writing and report to Covered Entity (1) when all *PHI* has been returned or destroyed and (2) that *Business Associate* does not continue to maintain any *PHI*. *Business Associate* is to provide this certification during this thirty (30) day period.

15.2 *Business Associate* shall report to Covered Entity any conditions that *Business Associate* believes make the return or destruction of *PHI* infeasible. *Business Associate* shall extend the protections of this Agreement to such *PHI* and limit further Uses and Disclosures to those purposes that make the return or destruction infeasible for so long as *Business Associate* maintains such *PHI*.

16. Penalties. *Business Associate* understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of *PHI* and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations.

supplant nor relieve *Business Associate* of its obligations under this Agreement to independently assure compliance with the law and this Agreement.

18. Miscellaneous.

18.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the Contract or Grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the Contract or Grant continue in effect.

18.4 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule, Security Rule, and HITECH) in construing the meaning and effect of this Agreement.

18.5 *Business Associate* shall not have or claim any ownership of *PHI*.

18.6 *Business Associate* shall abide by the terms and conditions of this Agreement with respect to all *PHI* even if some of that information relates to specific services for which *Business Associate* may not be a "*Business Associate*" of Covered Entity under the Privacy Rule.

18.7 *Business Associate* is prohibited from directly or indirectly receiving any remuneration in exchange for an *Individual's PHI*. *Business Associate* will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. *Reports* or data containing *PHI* may not be sold without Covered Entity's or the affected Individual's written consent.

18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for *Business Associate* to return or destroy *PHI* as provided in Section 14.2 and (b) the obligation of *Business Associate* to provide an accounting of disclosures as set forth in Section 12 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.
