Please see attached records in response to you records request concerning "**Any trespass order against Lydia Diamond at Broadacres Bingo**" dated July 9, 2024.

We have included both the trespass orders and incident reports from all cases that resulted in a trespass order being issued to Ms. Diamond. Since a timeframe was not provided, we searched from 2013 to present.

All personal identifiable information was redacted, as required.

Thank you,
Sheila
