Subject: PUBLIC RECORDS REQUEST - CAD - K9 - June 8 2024 - For VTLEAKS

Under the Vermont Public Records Law, Â§315 et seq., I am requesting an opportunity to inspect or obtain copies of records of the following:

The CAD report - or report of all communications between the dispatcher and police for June 8 2024 . I will happily accept redactions for active investigations per the Public Records Act.

Records documenting use of K9 units and officers handling K9 units for June 8 2024 . I will happily accept redactions for active investigations per the Public Records Act. This request includes requests for assistance to other law enforcement regarding K9 services.

Locations where k9 units were deployed on June 8 2024. I will happily accept redactions for active investigations per the Public Records Act.

This request includes requests for assistance to other law enforcement regarding K9 services.

If this document is redacted i am requesting a justification referring to the public records law for each and every line or item that is redacted. I am hoping that these records will illuminate how police operate in our communities.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$20. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the the demise of the restorative justice center.

I am a citizen journalist who is gathering this information in the public interest This information is not being sought for commercial purposes however it may be shared with commercial media.

The law requires a response to this request within 2 days, or within 10 days for extraordinary circumstances. If you expect a significant delay in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for considering my request.
