Section 4: Additional Information

These are additional reasons why I cannot afford the fees:

The above expenses do not include non-monthly costs such as auto fuel, oil changes, repairs and servicing. It also does not include incidentals and unexpected costs. Rampant inflation has destroyed much of the value of my income.

I request the Court waive filing fees and/or pay service fees in this case because of my low income.

Section 5: Signatures and Declaration

I declare that the above statement is true and accurate to the best of my knowledge and belief. I understand that if the above statement is false, I will be subject to the penalty of perjury, or other sanctions in the discretion of the court.
