Please keep this in mind when placing rush orders. Federal Express does not give refunds on overnight charges for shipments that have been "bumped".

- Freight is free on orders greater than \$2500.00 (within the continental United States)
- All products ship from Casper, WY 82601

Federal Excise Tax (FET)

To All Agencies:

For all sales where ammunition and firearms are shipped to a state or local government agency:

To avoid the 11% Federal Excise Tax charge, an exemption certificate is required. See price list for "FET" markers on applicable products. A blank form follows on the next page.

For all sales where ammunition and firearms are shipped to a federal government agency that is not a part of the Department of Defense or the United States Coast Guard:

Your order will be charged an 11% Federal Excise Tax. See price list for "FET" markers on applicable products.

The following excerpt was taken from an FFL newsletter published by the Bureau of ATF dated May 2001, Issue 1:

Q. Are all Federal agencies exempt from the excise tax on firearms and ammunition?

A. No, the Department of Defense and the U.S. Coast Guard are the only Federal agencies exempt from the excise tax requirements for firearms and ammunition. Therefore, the sale of firearms and ammunition to any agency of the Federal government, other than the Department of Defense or U.S. Coast Guard, is subject to Federal excise tax requirements. For additional information regarding Federal excise tax requirements, you should contact the National Revenue Center at 1-(800) 398-2282 or at (513) 684-2979.

Please note that purchase orders containing ammunition and firearms will be delayed in processing if the proper Federal Excise Tax is not indicated on your order or if an exemption certificate has not been submitted.
