Marina,
I am writing regarding your public records requests, submitted via email on Thursday, March 12, 2026, seeking records associated with VSP's purchase orders and inventory of "less lethal munitions" and "crowd control equipment" including "sonic crown control".

The Department is working on your request and will respond as quickly as possible. The Department will need additional time to collect and review any records responsive to your request for the reasons set forth in 1 V.S.A. § 318(b)(5). We will keep you updated on the timing and progress of your request in the coming days. Please contact me if you have any questions.

Kind Regards,

Sam Weaver
