Dear Marina,

I am writing regarding your public records request, received by the Department of Public Safety on Monday, June 16, 2025.

The Department of Public Safety searched for records that fall within the scope of your request. The Department located one policy that addresses the release of information concerning minors and a separate policy on missing persons. Copies of both policies are attached here.

The Department did not locate any communications regarding any alteration of the news release.

Thank you very much for your inquiry.

Sincerely,

Traci Leibowitz
